Modern Javascript

Gap Explanation

During the one-year gap following my graduation, I took the opportunity to focus on personal development and self-learning in web development. I pursued online courses and engaged in personal projects to enhance my skills and stay updated with the latest industry trends. This gap allowed me to develop a strong foundation in web development and further hone my abilities.

Strength

Eager To Learn New Skills

As A Person Who Is Starting Out, I Am Constantly Seeking For New Ways To Grow And Expand My Skill Set.

Not Afraid Of Failure

Strong Believer In The Mantra That We Learn From Our Mistakes.

Result-Oriented

Many Confuse Progress With Moving In The Right Direction. I Always Make Sure To Check If The Team Is On The Right Path.

Detail-Oriented

Continuously Focused On How To Improve My Work And Do It The Best Way I Can.

Good communication skills
